No wonder new visitors are amazed at the selection of goods!

We are really pleased that aims of the project are being fulfilled just 6 months after opening.

THANKS TO EVERYONE WHO HAS SUPPORTED SPAXTON COMMUNITY STORES.

Vacancy for paid part-time stores manager

Spaxton Community Shop Society Ltd would like to appoint a part-time manager.

The manager will be responsible for certain aspects of running of the stores and in due course a post office. He/She will be supported by the management committee. The hourly rate will reflect the responsibilities and flexible working may be possible.

At the time of placing this notice in The Community News some details are being finalised. Adverts for the post will appear soon in The Stores, on notice boards and in the local press.

If you would like more information as soon as it becomes available contact Mandy Deeks 671682 (mandy.deeks57@gmail.com)

Gardeners. It's the time of the year when you might have a glut of some produce. Don't waste it. We may be able to sell it for shop funds or for charity.

Ordering. Don't forget that just about anything can be pre-ordered. So if you want to be sure of getting your favourite magazine, bread or variety of sausages just tell us and we'll reserve it for you.

Post Office. An application to run a Post Office Local in Spaxton Community Stores has been submitted. At the time of writing we do not know the outcome but we expect that we will be successful. If all goes well we expect to have a new post office in the village in about 5 months. Shareholders will receive more information as it becomes available.

We have to make sure that there are sufficient helpers willing to receive post office training. **We need to hear from anyone who is interested in serving in the new post office.** If that is you please contact Mandy (see above). There is more information in the stores and nothing you do now commits you to anything.
