

## SPAXTON COMMUNITY NEWS - AGM UPDATE

At our recent AGM we were joined by a couple of new people who were interested in helping out with the production of the magazine - Hurrah! This has come as a tremendous relief to me as I've been involved with the Spaxton Community News since it was launched on the unsuspecting inhabitants of the parish in 1982 and I wanted to see it continue and keep people informed about what goes on, in and around our village. I've been the main editor for nearly 30 years and I felt I needed a break from the regular two monthly editorial crises! The outcome of the meeting is that we should now have six editors who will do the complete magazine just once per year.

There is still room for more people to join our small team and get to know what we do so that when someone else wants to stand down we have a ready trained volunteer.

Over the years we have donated about £5000 to good causes in the village and keep our eyes open for any worthwhile projects where we can help out.

It's been very rewarding being editor over the years, but I'm looking forward to doing less, although I'll still be doing at least one issue per year. Happy Christmas to you, Philip Ham

### ASHWELL TREE SERVICES

Professional, fully qualified arborist covering all aspects of tree surgery and hedge cutting. Seasoned, hardwood logs for sale. Contact on: **07947 256057**
