

Spaxton Spring Flower Show

This year the show will be on April 2nd and it is that time when the village hall becomes full of the scent of spring with daffodils, spring flowers and flowering shrubs all telling us that it is the start of a new gardening year. The schedule for the show is attached to this copy of the community news and there are a number of changes to the classes including for the first time five vegetable classes. These are for vegetables to be found at this time of the year such as sprouting Broccoli and leeks. We hope that this will encourage some of you who do not enter the flower classes but do grow vegetables to have a go. It is hoped that a copy of the summer Village Show (to be held on 6th August) schedule will be available at the Spring Flower Show and this will be the opportunity for people to buy their potato for what has become an exciting class in the summer show namely 'The largest weight of container grown potatoes'.

As always there are a good range of classes in the adult sections and we would like to encourage you to enter. This year in the Arts and Crafts section there is a class to design a poster for the summer show and I am sure that there is some artistic/design talent within the community – do have a go!. There is a good selection of children’s classes and each year we look forward to admiring their creative skills.

An excellent raffle and delicious tea and cake make it an afternoon not to be missed. We look forward to seeing you there.

Nick Rigden (Chair)

SPAXTON PARISH COUNCIL NEXT MEETING DATES

FEBRUARY 29TH at 7.30pm AND MARCH 21ST at 7.30pm
