

## SPAXTON & AREA DOMESTIC OIL CONSORTIUM

A very happy New Year to you. We do hope that you have all had a good time over the festive season and that 2016 will prove to be a healthy, peaceful and successful one for you.

We look forward to hearing from anyone who would like to join our consortium and save on the cost of their heating oil. We order 4 times a year and our next delivery will be made at the end of April with order forms being issued on April 8<sup>th</sup>.

When all orders are in we negotiate a competitive price and let you know what that is and the likely delivery date as soon as we have that information. (Delivery is usually 7-10 days after the order is placed) **Please note the minimum amount you can order is 500 litres but, above that minimum, you can choose to either a) order a fixed amount or b) order your tank to be filled up.**

We only ask for a contribution of £1.00 as an annual levy towards administration costs.

Please get in touch on either 01278 671231 or [spaxtonoilta5@outlook.com](mailto:spaxtonoilta5@outlook.com) if you would like more information or have any questions. With best regards, **John 'n Liz, Jack O'Knights, Spaxton TA5 1AJ**

### DOG FOULING IN OUR VILLAGE - COULD THIS POOCH BE ONE OF THE CULPRITS?

**A black medium sized dog with white markings on it's face, chest and paws wearing a bright red collar was captured on the village shop's CCTV wandering around the shop and car park on 3<sup>rd</sup> January at about noon without any owner.**

It may have just been an innocent escapee taking a one off bid for freedom but if anyone can help identify this 4 legged pooch please contact the editor Rowena who will pass on the details to the Village Hall Committee.

Interest has been expressed by some Spaxton folk in setting up a Flexercise group in the village, but I have been asked to explain a little about it.

Flexercise is an AgeUK Somerset initiative which encourages older people to keep mobile. It is chair-based, fun, informal, and open to anyone, no matter what their level of fitness. We use music, play games, do some memory work and finish up with a cup of tea and time for a chat. It is led by trained leaders (Margaret and Eileen) who enjoy seeing older folk laughing and feeling fitter. We have both been trained by AgeUK to deliver this programme and many doctors will recommend it.

***If you would like to participate or are interested to know more, please contact Maureen Anderson on 671457 or speak to Eileen on 652250.***

No day or time has been fixed yet, though it will probably be held in the village hall for one hour per week. ***Margaret and Eileen are volunteers for AgeUK but a small charge will be made to cover the cost of hiring the hall.***
