

MOVEABLE FEAST – Saturday 27th February

Right then, we've all had our quiet few weeks.....time now to prepare for the Moveable Feast!! This is a really fun evening which, depending on the number of people taking part, raises between £300 and £700 for our school.

Essentially, it is a dinner party. Or rather, a series of dinner parties that take part in and around Spaxton. This year, diners will meet up at the Spaxton Village Hall Pavillion at 7.15pm for a complimentary glass of fizz and to find out where they will be having their first course. Diners will move to their starter venue at 8pm, main course venue at 8.45pm and dessert venue at 9.45pm.

We do need most people to cook a course, no matter how simple. If this is not possible, then we do have a bit of leeway, but not all that much! Culinary prowess and size of dining table are unimportant - **please don't worry about these things**, the aim of the evening is to have enormous fun, and generally your guests will be too merry to notice!

All you need to do is to get together in pairs or in a foursome, and we will organise the rest. You will stay in your foursome for the entire evening, but will mix with a different foursome for each course.
