## Spaxton Village Hall News

At the end of March the AGM took place and we are very pleased to welcome three new members to the village hall committee, Vince Massey, Josh Schwieso and Rowena Tomlinson. New ideas are vital to the running of any committee so we thank them for standing, they will no doubt have much to contribute.

On the subject of contributions the hall is looking to extend the play equipment for older children and have long planned a playwall, which will give the opportunity for practicing football, cricket, basketball and netball. However, there has been some suggestion that alternative sports activities would be more popular. We are looking to cater for the 10+ age group, so if you have any ideas please phone Rodney Parish on 671330 to share your thoughts before we make definite plans.

Talking of the playing fields we have been made aware that people coming to the village hall or the shop are not aware that we **DO NOT ALLOW** dogs on any of the playing fields. There are presently three signs stating this but these are sometimes disregarded so we plan to add more. In the meantime we would be grateful if you could tell anyone you see exercising their dogs on the field that it is not acceptable either in a children's play area or on a cricket/football pitch. Thank you very much!
