Plus....guest appearance
from **Taunton Ukelele
Strummers Club**

Scent in the Air!

March 28th was the Village Flower Show and it is the time when the village hall fills with the wonderful scent of spring flowers. Daffodils in all shapes and sizes together with hyacinths, wall flowers, primroses and flowering shrubs made a superb spectacle. Add to that the displays of flower arrangements, cookery, wine and beer, art and crafts and the show was complete. Whether it is this show or the summer village show it would not be complete without the junior classes and the entries were as always superb. Well done to all the entrants and to the many people who came and enjoyed the show and wonderful teas.

The Village Show will soon be upon us and we look forward to your support once again. If you have not entered one of the many classes before do have a go this year – the greater the number of entries the better the show!

Nick Rigden
